**A Note From Pastor Barry:**

Good morning and thank you for being here to worship together in person. I trust you had a great Thanksgiving with family and friends. I want to thank you for the opportunity to serve you as Interim Pastor. The work has already begun to restore ministry and begin the process of finding your forever Pastor. I am grateful for those who already have as well as those who will soon step to the forefront and help lead Emmanuel Baptist church forward. Each week I hope to communicate through the bulletin in a simple note, a word of encouragement and challenge, as we strive together to accomplish the tasks the Lord has set before us. In addition, I will also place in the bulletin the scripture for the upcoming message. Included in the bulletin you will find a section “What the Pastor is Reading.” Here, I will list the books or book I am currently reading through. My prayer is that this information will help you feel better informed and equipped for the days ahead.

In His service,  
Pastor Barry
